Hi-

I was just curious if either of you have an idea of what the chances are that you will be needing me to testify on Monday? Obviously, it will be difficult for me to testify in both courts on Monday (unless I testify first in Orange and then go to New Bedford after 2). I know that, in general, New Bedford has us on call - is that accurate, ADA Aitken? Do you both want to have me on call, or will I definitely be needed for your respective cases? Thanks.

ADA Aitken: Comm. v. [REDACTED] New Bedford District Court
